### Ladies' Tailored Suits

If you want your Suit for Thanksgiving, you should make your selection from our special Suit values, which we are now putting out. When you can get a Suit such as we are putting out at only \$12.50, it is surely a good time to buy. These are Suits that were made to sell at from \$18.00 to \$20.00, and are good values at that price.

These Suits at \$12.50 are made in a large range of the most popular style models, hardly two of the same design. The cloths are such as Poplins, Serges, Broadcloths and Gabardines. Are lined with a guaranteed satin and finished in the best of shape. Some of them are fur trimmed and others have the high collar, finished with velvet.

This is a chance to get a good Suit at the price of the tailoring alone.

### Ladies' Separate Coats

This is a very busy time in our Suit and Coat Department. We are showing one of the largest lines of Separate Coats to be found in the state. The line comprises the leading materials that the season demands, and the range of styles has hardly no limit. Every day now sees new models coming into the department.

Velvets, Corduroys and Plushes are in great demand. Never was there a season when these materials had such a run. The Cloth Coats are of an unusual value. The materials are thick and warm. The Montine, Karltext, Broadcloths, the heavy Plaid Backs and Mixtures are very popular and are made up in the season's most popular styles, ranging in prices from \$10.00 to \$30.00.

In many of these Coats, styles now coming in are Sample Coats that we were able to get made up when in New York a few days ago. See these Coat values.

You will find with us the largest line of Babies' Goods in this part of the state, if not in Vermont. Babies' Caps, Blankets, Dresses, Knit Sacques, Booties, and every other thing that a baby can wear. We have the best line of Babies' Shoes to be found in this city—better made and a larger assortment. We have been carrying this line for years and have sold quantities of them.

There was a diverting entertainment and business along the white midway, which has been a conspicuous feature of the bazaar, continued brisk to the end. The proceeds will be used to further the work of the society.

Sec. H. P. Hinman has issued notices for the annual meeting of the Barre Granite Manufacturers' association, to be held in the manufacturers' headquarters in the C. W. Averill building on the afternoon of Dec. 5. At the afternoon session, reports for the fiscal year will be heard and officers for 1916 elected.

Tentative plans for the annual banquet are in the making. It will follow immediately the adjournment of the business session, and Hotel Barre has been chosen as the place where the manufacturers are to dine this year. It is not improbable that out of town guests of the association will be asked to contribute to a program of after-dinner speechmaking.

Forty couples enjoyed a dance in the Knights of Columbus hall last evening, the occasion being the first of a series of dancing assemblies to be given by the Italian Pleasure club during the late fall and winter. A number of people from out of the city were present as guests of the club. Music for the dancers was played by Harris' orchestra and at intermission a collation was served. The hall was attractively decorated for the affair, and much credit is due the committee for its successful attempt to make the first dance of the series pleasurable for all. The committee, consisting of A. H. Fasola, Fred Gerbetti, D. Merlo, and Robert Wright, will have charge of another dance to be given in mid-December.
